MEET YOUR ASSOCIATE PHOTOGRAPHER, CASSIDY CRISS

Hi! I'm Cassidy, an associate photographer on the Cameron Thompson Photography team. I am so thrilled to have the potential of working with you! Documenting your wedding day is such an honor! Since we'll be spending a lot of our time together on the big day, I want to make sure you really feel like you know me!

Based out Raleigh, North Carolina, I live an incredible life alongside my husband, Logan and my two furballs, Oscar Mayer (you guessed it - our weiner dog) and Moo (our floofy cat). I joined the Cameron Thompson Photography Team in 2021 as a photography intern where I worked for an entire year alongside Cameron in developing my photography and client experience skills before joining the team as an associate photographer. Now I will be taking all the skills I learned during my internship as a lead photographer. The full year experience alongside Cameron will help me ensure I provide a similar wedding day experience and mimic the high quality images you expect to see out of a Cameron Thompson Photography product. I couldn't be more thankful with where I am now and the amazing people I get to work with on a daily basis.

Enough about me...I want to learn more about YOU!! Let's connect ASAP so I can hear all about your wedding day!

OF TOUCHING, OF LOVING...”

YOU HAVE QUESTIONS

I HAVE ANSWERS

Q: What is an associate photographer?

A: An associate photographer is a photographer of the same level of experience as the owner + main photographer (Cameron Thompson). The associate photographer works under the Cameron Thompson Photography team which means they have the same professional equipment, knowledge, and skill to photograph the day of the wedding but following closely to the procedures and approach so you can still have the Cameron Thompson Photography experience from initial consultation through the delivery of your portraits. The associate photographer will be working alongside Cameron Thompson during the photography planning and preparation process so they are fully prepared on your wedding day.

Q: Will our images look like what is on the Cameron Thompson Photography website/instagram?

A: Yes! All of your photos will be edited by Cameron herself so they still have the signature style that you fell in love with!

Q: Why choose an Associate Photographer over hiring Cameron herself?

A: Unfortunately, there are some dates that Cameron is already booked and therefore unavailable on your date. So if Cameron is not available, but you still want the Cameron Thompson Photography style and experience, an associate photographer would be a perfect option for you! In addition, the associate program offers a discounted package price if you select to book with our associate photographer instead of Cameron so it ends up saving you \$\$ in the long run!

Q: How has the associate photographer been trained?

A: The photography team is an extension of Cameron herself. The associate photographers were hired not only for their talent and passion, but also for their awesome personalities and demeanor. Cameron has personally trained the associate team on every aspect of the wedding day experience. The associates have shot along side me for countless weddings and will bring the same care, skill and experience to you on your big day as Cameron would herself!

Q: When will our images get delivered?

A: All images will be delivered via online gallery within 4-6 weeks of your wedding day!
